B The Broadcast TV Surcharge reflects charges assessed to Charter by broadcast TV stations. It applies to Basic Service and all additional TV services.

C DVR service required with subscription to DVR or DVR/HDR receiver.

D Provides access to the electronic program guide - to receive program information, perform efficient channel surfing, use Parental Controls and access to order Pay-Per-View & On Demand (where available).

CableCARD customers with TiVo equipment will also need a Tuning Adapter for access to such digital channels.

F Applicable when upgrading and/or downgrading services and picking up equipment.

G Available with subscription to Spectrum TV Select, Silver, Gold, or Mi Plan Latino.

H The Secure Connection Fee covers those measures Spectrum employs to manage and secure the connection between Spectrum's system and the Spectrum receiver and other devices Subscriber uses to access Spectrum's services.

*Not all channels are available in HD.

All charges exclude applicable taxes, FCC fees, state cost-recovery fee, franchise fees and the Broadcast TV Surcharge. Public, Educational, Government Access Channel availability may vary by community.

CableCARD customers subscribing to any service package in which Charter-leased equipment is included in the package price, may receive a discounted price, reduced by an amount equal to greater than the fee for such equipment not leased from Charter.
