Dear Ms. Eagan:

I am writing to follow up on your November 15 letter and our subsequent phone call, regarding D.T.C. Docket 18-AR-8. Verizon noted that it did not have any active public access lines for payphones registered to Churchill Investments, Inc. ("Churchill"). The Department's records show that Churchill was registered with the Department prior to 2013 as Churchill Public Communications, using a mailing address of P.O. Box 4157, Andover, MA 01810, so it is possible that Churchill may be listed with Verizon under this previous name and address. Because the Department found in Docket 18-AR-8 that Churchill unreasonably refused or neglected to file its 2015 annual return as required by G.L. c. 166, § 11, the Department directs Verizon to terminate public access line service for any payphone operated by Churchill, including those operated under its previous name, Churchill Public Communications.

Thank you for your attention to this matter. If you have any questions, please contact me at Rosalie.Fazio@mass.gov or (617) 368-1135.

Sincerely,

/s/
