Telecommunications & Cable

Dear Ms. Fuzio-Eynullayeva,

In response to the attached letter dated October 24, 2018, Verizon MA, researched its database for active accounts for each of the payphone providers listed and found no record of a Churchill Investments, Inc. and did not find any active service for the other four companies listed.

Respectfully submitted,

Patricia Eagan  
Manager-Government Affairs

Dear Ms. Eagan:

The Department of Telecommunications and Cable (“Department”) may direct removal of public access line service from the payphones of any company that fails to file its annual return required by G.L. c. 166, § 11. In Docket D.T.C. 18-AR, the Department found that the following payphone providers unreasonably refused or neglected to file their annual returns:

- Boston Saturn, Inc. DBA Saturn of Quincy (D.T.C. 18-AR-5)
- Churchill Investments, Inc. (D.T.C. 18-AR-8)
- Regal Auto Parts, Inc. DBA Brockton Auto Parts (D.T.C. 18-AR-30)
- Symbiont, Inc. (D.T.C. 18-AR-33)
- TIP Systems, LLC (D.T.C. 18-AR-38)

Accordingly, the Department ordered that public access line service be removed from the payphones of these companies. The Department directs Verizon to terminate the public access line service for all payphones operated by each of the above-named payphone providers, effective immediately. Please provide confirmation of Verizon’s compliance with this directive.

Thank you for your attention to this matter. If you have any questions, please contact me at [Rosalie.Fazio@mass.gov](mailto:Rosalie.Fazio@mass.gov) or (617) 368-1135.

Sincerely,

Rosalie Fazio
