#### I. INTRODUCTION

The Department of Telecommunications and Cable ("Department") requires each telecommunications common carrier "doing business" in the Commonwealth during the corresponding calendar year to file an annual return with the Department. The Department's records indicate that the 67 common carriers named in this Order did not file annual returns for calendar years 2016 and/or 2017. Accordingly, the Department opens this investigation on its own motion to address these common carriers' failures to file annual returns for the relevant year(s). The Department has docketed these proceedings under the generic docket number, D.T.C. 19-AR, with a sequential number for each individual case, *e.g.*, D.T.C. 19-AR-1, D.T.C. 19-AR-2, etc.

#### II. ORDER OPENING INVESTIGATION

Pursuant to G.L. c. 166, § 11, the Department requires all telecommunications common carriers "doing business" in the Commonwealth to file an annual return for the preceding calendar year by March 31, or at a later date fixed by the Department for "good cause shown." G.L. c. 159, § 32; G.L. c. 166, § 11. Furthermore, the Department requires all common carriers engaged in the "transmission of intelligence within the [C]ommonwealth" to register and have an approved tariff and Statement of Business Operations ("SBO") on file with the Department. Investigation by the Dep't of Pub. Utils. on its own motion into the regulatory treatment of telecomms. common carriers within the Commw. of Mass., D.P.U. 93-98, Order at 12 (May 11, 1994) ("Common Carrier Regulatory Treatment Order").

<sup>&</sup>lt;sup>1</sup> Payphone providers are not required to have approved tariffs on file if their operator services are provided by a carrier registered with the Department.

The Department may commence enforcement proceedings against common carriers that fail to file their annual returns. See D.T.C. 16-AR, Order Opening Investigation (Feb. 3, 2016); D.T.C. 13-AR, Order Opening Investigation (Dec. 3, 2013); D.T.C. 11-AR, Order Opening Investigation, (Dec. 2, 2011). The Department may deem a common carrier's failure to file an annual return as cause for cancellation of the carrier's registration and intrastate tariff(s). This cancellation prevents the common carrier from operating or providing telecommunications services within the Commonwealth. See D.T.C. 16-AR, Final Order at 9 (Aug. 1, 2017) ("D.T.C. 16-AR Final Order"); D.T.C. 13-AR, Final Order at 10-11 (Apr. 1, 2015) ("D.T.C. 13-AR Final Order"); D.T.C. 11-AR-C, Final Order at 9-11 (June 3, 2013) ("D.T.C. 11-AR-C"). Similarly, the Department may cancel the registration and "direct removal of public access line services from the payphones of any company" that fails to file its annual return and update its registration information. See, e.g., D.T.C. 16-AR Final Order at 24; D.T.C. 13-AR Final Order at 19; D.T.C. 11-AR-C at 11. Finally, the Department assesses statutory forfeitures against common carriers that fail to file an annual return in accordance with G.L. c. 166, § 11. See G.L. c. 166, § 12; D.T.C. 16-AR Final Order at 6-9; D.T.C. 13-AR Final Order at 6-9.

Any common carrier "doing business" in the Commonwealth that fails to file an annual return for the preceding calendar year by the requisite deadline shall forfeit \$5.00 per day for the first fifteen days of delinquency, \$10.00 per day for the subsequent fifteen days, and a sum not exceeding \$15.00 per day for each day of delinquency thereafter. G.L. c. 166, § 12. If the Department determines that a common carrier "unreasonably refuses or neglects" to file an annual return, the company shall forfeit up to \$500 for each offense as an additional penalty. *Id*.

The 67 common carriers listed below (individually, "Delinquent Carrier," and collectively, "Delinquent Carriers") failed to file an annual return for calendar years 2016 and/or

2017. The Department notes the year(s) of delinquency for each Delinquent Carrier as well as their registration status with the Secretary of the Commonwealth.

The Delinquent Carriers were registered to provide telecommunications services at the onset of the relevant calendar year by having on file with the Department an approved tariff and SBO. See G.L. c. 159, §§ 12, 19; Common Carrier Regulatory Treatment Order at 12. Being registered with the Department to provide telecommunications services is indicative of "doing business" in the Commonwealth for the relevant year. See D.T.C. 16-AR Final Order at 6-7, 14;

D.T.C. 13-AR Final Order at 7-8. Delinquent Carriers were provided with at least one written reminder of the filing requirement. None of the Delinquent Carriers have filed their annual return(s) for the year(s) listed.

Therefore, the Department hereby open an investigation on its own motion into each Delinquent Carrier's failure to file annual returns. The Department will make a determination as to whether the Delinquent Carriers have neglected or refused to file annual returns and, if so, may cancel their registrations and intrastate tariffs. See G.L. c. 159, § 39; G.L. c. 166, §§ 11, 12; D.T.C. 16-AR Final Order at 9; D.T.C. 13-AR Final Order at 10-11. Furthermore, the Department shall also assess appropriate statutory forfeitures. See G.L. c. 166, § 12; D.T.C. 16-AR Final Order at 6-9; D.T.C. 13-AR Final Order at 6-9. In evaluating a Delinquent Carrier's annual return obligations the Department considers several factors, including: (1) the extent and nature of the company's operations within the Commonwealth and its revenues for each of the applicable years; (2) the Delinquent Carrier's registration status with the Secretary of the Commonwealth; (3) whether the company reported that it operates within Massachusetts on its Federal Communications Commission ("FCC") Form 499-A; and (4) whether the Delinquent Carrier failed to file updated address and contact information for their file or applicable intrastate tariff with the Department. See, e.g., G.L. c. 166, § 11; D.T.C. 16-AR Final Order at 6-8; D.T.C. 13-AR Final Order at 7-9.

The Department directs each Delinquent Carrier to provide the Department with the following information in writing by January 29, 2020:

<sup>&</sup>lt;sup>2</sup> The Department acquires this information from the Secretary of the Commonwealth's website at <a href="http://corp.sec.state.ma.us/corpweb/corpsearch/CorpSearch.aspx">http://corp.sec.state.ma.us/corpweb/corpsearch/CorpSearch.aspx</a> (last viewed Dec. 9, 2019).

<sup>&</sup>lt;sup>3</sup> The FCC requires all telecommunications providers to file FCC Form 499-A annually by April 1, with limited exception. See FCC, 2015 Telecommunications Reporting Worksheet Instructions (FCC Form 499-A) at 2. The FCC reports submitted information on its FCC Form 499 Filer Database, available at <a href="http://apps.fcc.gov/cgb/form499/499a.cfm">http://apps.fcc.gov/cgb/form499/499a.cfm</a> (last viewed Dec. 9, 2019).

- 1. Did the company file the annual return for the relevant calendar year(s)? If so, provide a copy of the annual return(s) and documentation of the filing(s). If not, explain why the company did not file the annual return(s), and state whether the failure to file is reasonable. If the failure to file is stated as reasonable, explain why.
- 2. Did the company provide telecommunications services in Massachusetts during the relevant calendar year(s)?
- 3. If applicable, state whether the Secretary of the Commonwealth has reinstated the company's authority to do business within the Commonwealth.
- 4. If applicable, provide the current company address, contact information, and an amended tariff and Statement of Business Operations reflecting that change.
