RE: Petition of the State 911 Department for Approval of Fiscal Year 2026 Expenditures, and Approval of Fiscal Year 2027 Development Grant Amount.

Dear Ms. Estremera:

In connection with the above matter, attached herewith for filing is the corrected Attachment A. The discrepancy in question was attributed to following budgetary lines under 9-1-1 Administration & Operations.

- NG 911 Non-recurring
- NG 911 Recurring
- Radio Infrastructure
- Wireless Center
- 911 Call Center North Shore

The master sheet used to compile Attachment A for DTC 26-2 did not reflect the updated projections from DTC 25-2. Those line items were still reflecting the projections noted on Attachment B under DTC 24-2.

Thank you for your attention to this matter.

Very truly yours,
