

EA Family Shelter is a temporary solution to help families in need of a place to stay.

Based on your family's risks and needs there are **two different Shelter tracks** designed to help you find stable housing.

If you are eligible, the EA Program will determine which Shelter Track fits your needs

TRACK 1

Rapid Shelter Track
30 business days

or

TRACK 2

Bridge Shelter Track
9 Months

The Rapid Shelter Track is for families who may be able to quickly find permanent housing with high intensity support.

The Bridge Shelter Track is for families with more challenging needs who may require other types of support before finding permanent housing.

You will stay at a **Temporary Respite Center (TRC).**

You will stay at a **group shelter, apartment, hotel or other facility.**

Re-Ticketing

We can help you return to a safe place to stay

What is re-ticketing?

If your family has the option to stay with friends or family in other states, re-ticketing helps cover travel costs like plane tickets, bus tickets, or other related travel expenses to that state immediately.

How can I get access to re-ticketing?

If you are currently at one of the state's Temporary Respite Centers, you can ask staff there to help you. You can also talk to your diversion provider.
