申请相关信息

I am applying as: (you must select one)

○ **Employed:** by selecting employed, I certify that I am currently employed at a licensed or authorized EEC program.

Or,

○ **Prospective Student:** by selecting prospective student, I certify that I am unemployed or not employed as an early education and care provider at a facility or program, licensed/authorized by the Department of Early Education and Care, but plan to enroll in an approved course of study as defined in the eligibility requirements of the ECE Scholarship.

And as such, I understand that:

If selected as a recipient of the ECE scholarship, I must:

Demonstrate that **I am seeking employment with an early education and care provider in the commonwealth;**

And,

have agreed to enroll in a degree or certificate program in the early education and care field in the commonwealth; provided, however, that recipients of the scholarship program shall commit to providing early education and care in the commonwealth for a term of service to be determined by the board in consultation with the board of early education and care.

☐ I understand that I can only apply as a prospective student **once**, and that I must obtain eligible employment the following application cycle to meet eligibility guidelines for the ECE Scholarship Program.

条款和条件

Scholarship Terms and Conditions

☐ I understand that the ECE Scholarship ***DOES NOT*** include any part of a public school system. Subsequently positions/and or employment within a public school are **NOT** eligible. (ex. Paraprofessionals, teachers, guidance counselor, etc.) The Massachusetts public school system falls under the **Department of Elementary and Secondary Education (DESE)**, not EEC.

☐ **Licensed or Authorized Employer:**

All eligible programs must have a Program Number issued by the Department of Early Education and Care (DEEC) and have an active account in LEAD. Such programs have been authorized to operate direct care to children in the following settings:

- Family child care
- Group and school-aged center based care
- Out-of-School Time
- Residential and Placement programs

Family Child Care Systems that have contracts with EEC to provide financially subsidized care to children are also eligible employers.

☐ **I understand that an eligible position is defined as:**

Those that provide direct care to children, such as:

- Family Child Care (FCC) owners/educators
- FCC assistants
- Assistant teachers
- Teachers
- Lead teachers
- Directors
- Group leaders
- Site coordinators
- Residential and placement care providers

This also includes specific positions within Family Child Care Systems that have contract agreements with EEC, such as home visitors, mentors, coaches, and educational leaders.

(Early education and care includes formal programs for infants, toddlers, preschoolers, school-age children during out-of-school time, and residential and placement programs.)

服务承诺

请勾选方框以同意《服务承诺》。请务必保存并提交您的申请。

Service Commitment Agreement

- ☐ **I understand that although there are no procedures for repayment if a student fails to complete the above commitments, that as a recipient of the ECE Scholarship there is an expectation that students will continue to be employed in the Early Childhood Education field as an educator or provider in Massachusetts for six months per semester of scholarship receipt, not to exceed a two year maximum commitment upon graduation from an associate's degree program and a four year maximum commitment upon graduation from a bachelor's degree program.**
- ☐ **I understand that employment in a MA public school system does not fulfill the service obligation for the ECE Scholarship.**
- ☐ **I have read the terms and conditions and understand the above defined eligible employers and positions.**

In the event that the fiscal year appropriation is not sufficient to permit a full award to each eligible student, priority consideration will be given to eligible applicants recommended by an individual qualified to speak to their commitment and dedication to the field of early education and care; or members of a socially or economically disadvantaged community as defined by the Department in consultation with the Department of Early Education and Care.
