Freya Bromwich – Material Recovery & Donations Consultant
Trish Cataldo – Ecommerce Sales Coordinator
John Hopkins – Truck Team
Malik Rodriguez – Truck Team

Through EcoBuilding Bargains alone we are able to divert **over 300 tons** of material from landfills and serve **300+ contractors** per year!

There are **thousands** of materials that can be reused!

Cabinetry
Countertops & sinks
Bathroom fixtures
Doors
Light fixtures
Hardware
Architectural salvage
Surplus building materials
And more!

A person with long dreadlocks, wearing a white t-shirt and tan pants, stands in the back of a dark-colored truck. The truck is filled with various construction materials, including wooden planks, metal beams, and a large window frame. The person is looking down at something in their hands. The background shows a clear blue sky and some greenery.

Step 1

Call us to discuss your project

Scope/Timeline

Set up free site visit

A photograph showing two men in a kitchen, dismantling wooden cabinets. One man on the left is using a pry bar to remove a cabinet door. The other man on the right is holding a piece of wood. The cabinets are light-colored wood with glass-paned doors. A dark green banner with white text is overlaid on the right side of the image.

Step 2

**Deconstruct, dismantle,
remove reusable materials,
and place in discussed
staging area**

Step 3

**FREE pick-up service
from the job site**
