Public Water Suppliers wanting to view eDEP Upload data:

For PWS to view your lab's results online you must:

- Register online as an eDEP user by picking a username/password/nickname combination. <u>https://edep.dep.mass.gov/edep/DEPLogin.aspx</u>
- Have an active PWS Proof of identity associated with your account. (Same Proof used for eASR filing). Proofing instructions are included here: <u>easr instructions.pdf</u>
- Any lab reported water quality data using the PWSID(s) associated with your proof will automatically appear on your eDEP account homepage as a DW BULK DATA transaction.

Submitting an eDEP DW Report Labs:

In order for a Massachusetts certified laboratory to submit drinking water quality data online you'll have to do the following:

- Register online as an eDEP user by picking a username/password/nickname combination. <u>https://edep.dep.mass.gov/edep/DEPLogin.aspx</u>
- Laboratory directors recognized by MassDEP's lab certification office must apply for a Lab Director proof that will enable electronic signature and submission of transactions.
- Generate a text tab-delimited file formatted to meet the criteria in the posted instructions which can be found at: <u>https://www.mass.gov/doc/instructions-for-formatting-a-data-file-for-bulk-upload/download? ga=2.243118154.933711508.1627490630-114607104.1593177226</u>
- It is important to verify receipt of each transaction. This is done by receiving the confirmation email generated by MassDEP and Copy of Record (COR)
