At this virtual public meeting, the DCR team for this project will provide an update on the proposed neighborhood trail location along the north side of the Neponset River Greenway after having incorporated feedback from the public meeting earlier this year. The project area extends from Kennedy Playground between the Neponset River and Edgewater Drive, ending at the intersection of Belnel Road and Osceola Street.

The public will be invited to ask questions and provide feedback on the presentation, using the Q&A functionality that will be available through the virtual participation platform. After the meeting, the presentation will be available for viewing at <https://www.mass.gov/dcr/past-public-meetings>. DCR encourages the public to share additional feedback, with a deadline for receipt of comments by DCR of October 12th, 2022. Comments may be submitted online at <http://www.mass.gov/dcr/public-comment>. Please note that the content of comments you submit to DCR, along with your name, town, and zip code, will be posted on DCR's website. Additional contact information required when commenting, notably email address, will only be used for outreach on future updates on the subject project or property.

If you have agency-related questions or concerns or would like to be added to an email list to receive DCR general or project-specific announcements, please email Mass.Parks@mass.gov or call 617-626-4973.
