- 1) Opening Remarks
- 2) Introductions
- 3) Agenda items:
 - (a) Review minutes from the BSEE & BFPR Work Group Meeting on January 22, 2025
 - (b) Discuss items below with the Massachusetts Municipal Association (MMA)
 - (c) Continue discussing the items below for the purpose of creating more comprehensive guidance that clearly outlines the rules associated with permitting and inspections.
 - (i.) Some cities and towns refuse to accept paper permit applications in person or by mail
 - (ii.) Online applications do not match the "Uniform Permit Application" revised 1/2023. There is often no place to enter the A1 license information when using online portals. Sometimes, the portal requires you to "search" for a license number, which then "pulls" licensee information into the permit application. The A1 license details are unavailable in several cities and towns as part of the search function.
 - (iii.) Once issued, the majority of permits do not match the State form.
 - (iv.) Permits are being issued to the Master Electrician of record instead of the A1 License holder
 - (v.) Some cities and towns do not issue formal permits
 - (vi.) Once an inspection occurs, no formal notice of pass or fail is issued.
