TAKING THE EXAM

Taking the exam in separate parts:

- Candidates have a choice of taking both parts of their exam the same day or on separate days. Applicants who choose the same day will immediately continue onto the second part of the examination. Once you enter a second part of an exam you will not be able to return to the first. You must complete one part of the examination in order to proceed to the next part.

Scoring:

Scores are based on the number of questions answered correctly and are valid for 12 months. If a candidate does not pass both parts within 12 months the candidate must retake both parts.

- At the end of the examination all candidates will receive a printed Score Report.
- Veterans determined by a DD214 and as defined in clause forty-three of section seven of chapter four shall be granted a credit of five percent to each part of the examination.

Score Report:

- If you did not pass the examination, a Score Report will indicate your overall score and the number of questions answered correctly on each major section of the examination. This information may help you prepare for reexamination. This detail is not shown on your Score Report if you received a passing score.
- If PSI is unable to print your Score Report it will be mailed within 10-days of your examination date.
- The Score report is considered a public record and shall be maintained by PSI until the candidate has passed the exam. At which time such reports shall be submitted to the board with the completed application for archiving.

REVIEWS AND APPEALS

Review of Examination Score:

- An Examination Score report shall be given to candidates, on site at no additional charge after completing their respective examination or part thereof. Your Examination Score report will state whether you have passed or failed and explain what part(s) of your examination you failed, showing your strengths and weaknesses in content areas. It will also inform you of your right to review the questions that you answered incorrectly on your examination. A request to review examination questions shall be made to PSI **within 30-days from the date of examination.** See *Review of Question in the following section.*

NOTE 1. If you need an extra copy of your Examination Score Report - such a **request must be made within 30-days of the date of examination at no cost to you.** After 30-days, you can write to PSI to request a duplicate of your score reports. The fee for a duplicate score report is \$15. *Money Order or cashier's check ONLY.*

Review of Questions:

- Failing candidates will review their examination in a secure environment at which time you may challenge questions or answers to questions.
- A Request for a Review of Questions shall be made to PSI within 30-days from your examination date or the date you received your score. Failure to make such a request within the time allotted may jeopardize your right to review the examination questions.
- Candidates may register for the examination review via Automated Telephone, Internet, Mail or Fax and Pay by Money Order, Cashier's Check, VISA or MasterCard. Personal or company checks are **not** accepted. **The fee for this service is \$80.00.**
- During the review you will be presented with the questions you answered incorrectly and the correct answer to those questions. The purpose of the review is to allow you to self-research the question to determine why the answer you selected was incorrect. If you feel that there is an error in the question, you may comment about the question during the review by writing down comments on the Test Question Review sheet.
- All comments together with a copy of the challenged test questions will be submitted directly to PSI's test development staff for review. PSI will contact you within 20 business days if your status changed from fail to pass, and a new score report will be issued. Most test questions are determined to be correct as presented on the examination, so do NOT wait for a response before preparing for and scheduling for reexamination.

You are not permitted to take any notes outside of the review sessions. Please call (800) 733-9267 with any questions.

Examination Appeal:

- If after an exam review PSI maintained their failing score and you still disagree with their findings you may file an appeal before the Board. The appeal shall be made in writing to the Board of Electricians within 30-days of the

date on your rejection notice from PSI. In your appeal you must state the items/questions that are to be reviewed. Failure to make such a request within the time allotted may jeopardize your right to an appeal.

After that year applications will be expired and a new application and fee must be submitted with copies of any new education or updated work forms. If there are no changes a letter must accompany the application instructing PSI that the previous documents are still valid.
