Revised: 6/5/23

Electrical firing panels not contained on the approval list will need to be inspected by State Fire Marshal's Office. To schedule an inspection, please contact the Compliance & Enforcement Unit at 978-567-3375. Please allow for sufficient time prior to the use of the panel.

If you wish to have an electrical firing panel added to this approval list, please contact the Division Director of the Fire Safety Division at 978-567-3301.
