(1) Condition of Eligibility. As a condition of eligibility for MassHealth, all persons applying in the household must furnish an SSN or proof of application for an SSN, except as provided in 130 CMR 503.003(A)(1). The applicant is notified of the obligation to apply for an SSN for any person applying in the household. - (a) attests to a religious exemption as described in federal law;
- (b) is only eligible for a non-work SSN;
- (c) is not eligible to receive an SSN.

(2) Electronic Data Match. The MassHealth agency verifies each SSN by an electronic data match with the Social Security Administration (SSA).

(3) Reasonable Opportunity to Verify a Social Security Number. If the applicant has provided an SSN the MassHealth agency matches with the SSA to verify the SSN. If the SSA is unable to verify the SSN, the individual is required to verify his or her SSN.

- (a) The MassHealth agency provides applicants and members a reasonable opportunity period to provide an SSN if SSA is unable to verify the SSN or the individual has not provided the SSN.
- (b) The reasonable opportunity period begins on, and will extend 90 days from, the date on which an applicant or member receives a Request for Information Notice.
- (c) While the verification of SSN is pending, the individual will receive benefits if there are no other verifications outstanding.

(B) Right to Know Uses of Social Security Numbers. All household members are given a written notice of the following:

- (1) the reason the SSNs are requested;
- (2) the computer matching of SSNs with SSNs in other personal data files within
  - (a) the MassHealth agency;

  - (c) the Department of Homeland Security (DHS);
  - (d) the Internal Revenue Service; and
  - (e) other federal and state agencies and other informational services; and

  - (2) obtaining any medical support and payments; and
  - (3) identifying and providing information to assist the MassHealth agency in pursuing third parties, including a noncustodial parent, who may be legally obligated to pay for care and services for the applicant or member, or person on whose behalf benefits are requested, unless the applicant or member has grounds to waive cooperation as described in 130 CMR 503.005 or 505.002 (D): *Eligibility Requirements for Pregnant Women*.
- (C) (1) The MassHealth agency will deny eligibility for any applicant who does not attest to a willingness to cooperate and terminate eligibility for any member who refuses to cooperate, unless the applicant or member demonstrates good cause, as described in 130 CMR 503.005, or is a pregnant woman who meets the requirements of 130 CMR 505.002(D): *Eligibility Requirements for Pregnant Women*.
- (2) The MassHealth agency will not deny or terminate eligibility of any applicant or member who cannot legally assign his or her own rights, including, but not limited to, a minor child, and who would otherwise be eligible but for the refusal, by a person legally able to assign the child's rights, to assign the child's rights or to cooperate as required in 130 CMR 503.004.

  - (1) the MassHealth agency finds that cooperation is against the best interest of the child with respect to the obligation to establish paternity of a child born out of wedlock, obtain medical-care support and payments, or identify or provide information to assist the MassHealth agency in pursuing a liable third party for a child for whom the applicant or member can legally assign rights; or
  - (2) the MassHealth agency finds that cooperation is not in the best interest of the applicant or member or the person for whom the benefit is being requested or furnished because it is anticipated that cooperation will result in reprisal against, and cause serious physical or emotional harm to the applicant or member or another person with respect to the obligation to cooperate in all cases not covered by 130 CMR 503.005(A)(1).
- (B) Good cause for noncooperation includes, but is not limited to, the following circumstances:
  - (1) the child was conceived as a result of incest or forcible rape;
  - (2) legal proceedings for adoption are pending before a court;

- (A) file an insurance claim for compensation, if available; and
- (B) agree to comply with all requirements of M.G.L. c. 118E, § 22 including, but not limited to
  - (1) assigning to the MassHealth agency or its agent the right to recover an amount equal to the MassHealth benefits provided from the proceeds of any claim or other proceeding against a third party;
  - (2) providing information about the claim or any other proceeding and cooperating fully with the MassHealth agency or its agent, unless the MassHealth agency determines that cooperation would not be in the best interests of, or would result in serious physical or emotional harm to, the applicant or member, in accordance with 130 CMR 503.005;
  - (3) notifying the MassHealth agency in writing within 10 days of filing any claim, civil action, or other proceeding; and
  - (4) repaying and cooperating fully with the MassHealth agency or its agent to ensure the member's legal representative repays the MassHealth agency from the money received from a third party for all MassHealth benefits provided on or after the date of the accident or other incident; provided that if the member is involved in an accident or other incident after becoming MassHealth eligible, repayment will be limited to MassHealth benefits provided as a result of the accident or incident.

503.007: Potential Sources of Health Care

The MassHealth agency is the payer of last resort and pays for health care and related services only when no other source of payment is available, except as otherwise required by federal law.

(B) Use of Benefits. The MassHealth agency does not pay for any health care and related services that are available

- (1) through the member's health insurance, if any; or
- (2) at no cost to the member including, but not limited to, any such services that are available through any agency of the local, state, or federal government, or any entity legally obligated to provide those services.

(C) Employer-sponsored Health Insurance. The MassHealth agency may enroll MassHealth members in available employer-sponsored health insurance if that insurance meets the criteria for payment of premium assistance under 130 CMR 506.012(B): *Criteria*.

503.008: Utilization of Potential Benefits

(A) An applicant or member must take all necessary steps to obtain benefits to which he or she is legally entitled or for which he or she may be eligible, unless he or she can show that doing so would put the applicant, member, or any of the applicant's or member's family members in harm by supplying information to the policyholder in cases where there is demonstrated necessity for restricting such access. Benefits under this provision include, but are not limited to

- (1) Social Security benefits;
- (2) Railroad Retirement benefits;
- (3) federal Veterans' Administration benefits, including payment provided by the Veterans' Administration to purchase Aid and Attendance;

- (8) any benefits to which the applicant or member is legally entitled and any share in any estate to which the applicant or member is entitled. Members are not required to maintain a health plan if its cost causes financial hardship to the member.

(B) The applicant or member who is otherwise eligible for MassHealth will receive MassHealth benefits while claims for other benefits are pending provided that MassHealth eligibility is redetermined when such benefits are received.

(C) Applicants and members are not required to apply for Transitional Assistance to Families with Dependent Children (TAFDC), Emergency Aid to the Elderly, Disabled and Children (EAEDC), Supplemental Security Income (SSI), or Massachusetts state veterans' service benefits as a condition of receiving MassHealth only.
