

Ellisville Harbor State Park

1861 State Road
Plymouth, MA 02360
(508) 866-2526

Guided Hike

Tuesday, July 15 10:00 a.m.-12:00 p.m.

Come explore this amazing site with a Park Interpreter. Learn about the history of this land, from a 1700's working farm, to a Christmas tree farm, to a state park. We'll get first-hand experience with the many ecosystems you can find here including salt marsh, meadows, and the beach.

The walk will be two miles on moderate, soil/rocky terrain. There are some sections that will be down hill. Wear sneakers and bring water and bug spray.

No parking fee. Rain cancels.

Reasonable accommodations upon request.
