Emergency Policy on Home Study and Online Programming

At its meeting on April 17, 2020, the Board of Registration of Allied Mental Health and Human Services Professions voted to issue the following policy:

Because of the current declared state of emergency in Massachusetts, for the 2019-2021 licensing cycle only, the Board will suspend and not enforce its [“Use of Home Study and On-Line Programs to Meet the Continuing Education Requirements: Policy No.: 07-02”](#) so that licensees may complete all required continuing education through home study or online programming.
