License exam results appeal of Jonathan DiPilato Chairman Dan Kilburn introduced himself and members of the Board. Chairman Kilburn stated that he read Mr. DiPilato's appeal and reviewed the exam along with Mr. DiPilato's answers. Chairman Kilburn asked Mr. DiPilato what was the basis for the appeal? Mr. DiPilato stated that he thought that maybe a few questions were marked incorrectly by the scantron since, he had erasure marks on the answer sheet. Chairman Kilburn stated that in those cases the exam is "flagged" by the scantron and then it is reviewed by the examiner. It is also "flagged" if there is no answer submitted for a particular question and those are also reviewed by the examiner. Chairman Kilburn asked if Mr. DiPilato had any additional remarks Mr. DiPilato thanked everyone for their time. Chairman Kilburn stated that no decision would be given today and concluded the hearing. After the public hearing concluded, the Board deliberated in quasi-judicial session and unanimously denied the appeal.

License exam results appeal of Michael Gambale Chairman Dan Kilburn opened the hearing and introduced the board members. Mr. Gambale was not present for the hearing. After the public hearing concluded, the Board deliberated in quasi-judicial session and unanimously denied the appeal.
