The Less Than Truckload Differential pricing is applicable for all deliveries 7,999 gallons and under. The Truckload Differential Pricing is applicable for deliveries of 8,000 gallons or more.

**Category 2, Fixed Pricing**

The delivery of Gasoline is purchased as a fixed adder over the weighted average price of the NYMEX for Gasoline. The weighted average will be determined at time of purchase by averaging the number of months and/or gallons needed. It is strongly encouraged that eligible entities solicit quotes in zones with multiple awarded vendors. Vendors will work with the individual purchasing entities to determine specific time to lock into the NYMEX, when it is deemed to be most advantageous. The specific volume will be verified when NYMEX is locked in by the purchasing entities. Purchasing Entities reserves the right to roll over purchases to additional months if needed. It is the responsibility of the Contractor and Purchasing Entity to come to a decision of how unused gallons will be handled prior to entering into an agreement and to ensure that this agreement is in writing.

### Setting Up a COMMBUYS Account

COMMBUYS is the Commonwealth's electronic Market Center supporting online commerce between government purchasers and businesses. If you do not have one already, contact the COMMBUYS Help Desk to set up a COMMBUYS buyer account for your organization: (888)-627-8283 or [OSDhelpdesk@mass.gov](mailto:OSDhelpdesk@mass.gov).

When contacting a vendor on statewide contract, always reference ENE48 to receive contract pricing.

### Quick Search in COMMBUYS

Log into COMMBUYS, and use the Search box on the COMMBUYS header bar to locate items described on the MBPO or within the vendor catalog line items. Select Contract/Blanket or Catalog from the drop-down menu.

### How To Purchase From The Contract

The Operational Services Division has set up this contract to allow buyers to record contract purchases in COMMBUYS **after** the purchase has been fulfilled by the vendor. To place an order, buyers will reach out to Statewide Contract Vendors outside of COMMBUYS. Once the vendor's invoice is received, buyers will record the transaction in COMMBUYS as an RPA Release Requisition *within one month of receiving the vendor's invoice*. Use the [How to Create an RPA Release Requisition](#) job aid for guidance.

- **Document items in COMMBUYS that have already been purchased**

## OPERATIONAL SERVICES DIVISION

This type of contract allows buyers to document a contract purchase in COMMBUYS that already has taken place through a Request for Payment Authorization (RPA) Release Requisition. It also allows MMARS users to easily keep track of spend. NOTE: MMARS and COMMBUYS do not interface –payment request and invoice should be reported in both MMARS and COMMBUYS separately. (See guidance below).

- Check the Zone listing (on page 10) to determine the city or town where you will have the gasoline delivered. Contact the vendor responsible for that Zone to discuss locations, account requirements and arrange for delivery. The contract covers eight zones across the state. Each zone has one awarded contractor. These contractors are responsible for servicing the eligible users within that zone.
- Contract Users should continue to place orders in the normal fashion by contacting the appropriate vendor. Orders should not be placed through COMMBUYS. The order should be recorded once invoices are received using the RPA Release function. This contract has RPA Release enabled to allow contract users to capture spend after-the-fact associated with this contract. Contract Managers have carefully selected the contracts that would qualify for RPA Release transactions. Typically, this is due to system or process impracticality and/or emergency situations preventing the standard COMMBUYS purchase order processes from being followed to process paper invoices. For more details please consult the COMMBUYS Policy Document.

### ENE48 RPA Guidance

When conducting your Item Search, enter **ENE48** in the Item Description field. Record the following information on the Items tab in COMMBUYS:

- Line 1: Gallons – Enter the total gallons received under Quantity and the total price under Unit Price. Use *GAL* as the Unit of Measure (UOM). **This total should not include taxes.**
- Line 2: Taxes – Enter 1 under Quantity and the total amount of taxes under Unit Price. Use *DO* as the UOM.
- Accurately enter the invoice number in the Invoice Number field for each item line.
- On the Attachments tab, include scanned copies of all records pertaining to the order, i.e. unofficial email quote, receipt of goods or services, final invoice, etc.

**Note:** OSD carefully selects contracts (in some cases specific contract categories or situations) that qualify for RPA Release transactions. These typically are situations where the prescribed purchasing process is impractical and/or there exists an emergency situation that prevents the standard COMMBUYS purchase order process.

If you have a COMMBUYS question, contact the COMMBUYS Help Desk at 888-MA-State (627-8283) or [COMMBUYS@mass.gov](mailto:COMMBUYS@mass.gov).

### Obtaining Quotes

For Category 2 Fixed Price please use the Solicitation Enabled [Master Blanket Purchase Order PO-20-1080-OSD03-SRC01-16997](#), contract users should always reference ENE48 when contacting vendors to ensure they are receiving contract pricing. Quotes, not including construction services, should be awarded based on best value.

For a full description of how to complete a quote in COMMBUYS visit the [Job Aids for Buyers](#) webpage, and select:

- The *COMMBUYS Purchase Orders* section and choose the *How to Create a Solicitation Enabled Bid Using a Release Requisition* job aid.

### Other Discounts

- **Prompt Pay Discounts:** A discount given to the buyer if paid within a certain time period. These discounts may be found in the [Vendor List and Information](#) section below. All discounts offered will be taken in cases where the payment issue date is within the specified number of days listed by vendor and in accordance with the Commonwealth's Bill Paying Policy. Payment days will be measured from the date goods are received and accepted / performance was completed OR the date an invoice is received by the Commonwealth, whichever is later to the date the payment is issued as an EFT (preferred method) or mailed by the State Treasurer. The date of payment "issue" is the date a payment is considered "paid" not the date a payment is "received" by a Contractor.

### Instructions for MMARS Users

MMARS users must reference the MA number in the proper field in MMARS when placing orders with any contractor.

### Emergency Services

Many statewide contracts are required to provide products or services in cases of statewide emergencies. [ML - 801 CMR 21](#) defines emergency for procurement purposes. Visit the [Emergency Response Supplies, Services and Equipment Contact Information for Statewide Contracts](#) list for emergency services related to this contract.

### Delivery

Deliveries less than 500 gallons will not be subject to any additional charges or service fees. Please refer to the RFR in COMMBUYS by visiting [Master Blanket Purchase Order PO-20-1080-OSD03-SRC01-16996](#) for all delivery requirements.
