License exam results appeal of Daniel DaSilva: Chairman Dan Kilburn introduced himself and the members of the Board. Chairman Kilburn asked Mr. DaSilva what he was appealing. Mr. DaSilva stated that he doesn't read English very well and he asked an Inspector to read the exam questions to him three times but he didn't want to ask them again for assistance. He wanted to know if he could take the exam in his language. Chairman Kilburn stated we do not offer the exam in other languages. Chairman Kilburn asked if Mr. DaSilva had anything else to add to the appeal and he stated that nothing was wrong with the exam but he was looking for leniency. Chairman Kilburn stated that we do not have that authority. Chairman Kilburn stated we would take the information under advisement and he would receive a decision in the mail. After the public meeting concluded, the Board deliberated in quasi-judicial session and denied the appeal.
