

# Acquisition from Northfield Mt. Hermon Assessor Parcel 9 A 3

DCR Stewardship Council Meeting  
November 10, 2021

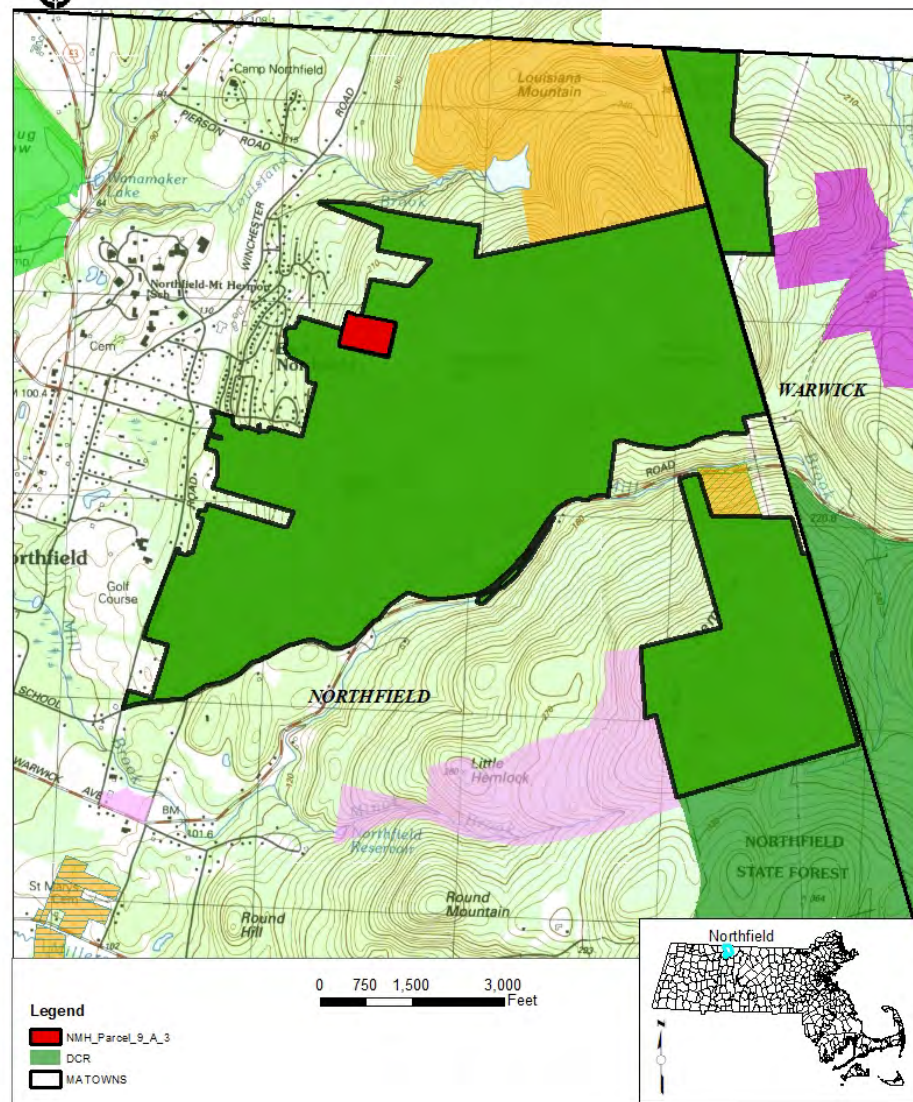

- DCR acquired 1287 acres from NMH in 2016.
- This 10-acre parcel was supposed to be included in 2016 acquisition but there were title issues.
- After title research, we determined the school has good title to  $\frac{3}{4}$  interest in the parcel but there is a title defect for the remaining  $\frac{1}{4}$  interest.
- Friendly taking is recommendation.
- NMH and Town of Northfield support the taking
