

## MassDOT invites you to learn about the South Station Expansion Project

Join us at the Scoping Session for the South Station Expansion project. The Environmental Notification Form (ENF) is now available. The ENF outlines the current scope and understanding of the South Station Expansion project.

**Monday, April 1  
from 4:00 pm to 6:00 pm**

One South Station  
2nd Floor (Atlantic Avenue Entrance)  
Boston, MA

The purpose of this session is to give the public an opportunity to voice their ideas about what should be in the scope of the environmental review. For more information about how to access and comment on the ENF document, please see the reverse side of this flyer.

This meeting is accessible to people with disabilities and those with limited English proficiency. Accessibility accommodations and language services will be provided free of charge, upon request, as available. Such services include documents in alternate formats, translated documents, assistive listening devices, and interpreters (including American Sign Language). For more information or to request reasonable accommodations and/or language services please contact Kerri Chace at 617-357-5772 x16 or [kchace@reginavilla.com](mailto:kchace@reginavilla.com).

For project information, please contact Kate Fichter at MassDOT's Office of Transportation Planning at [857-368-8852, [katherine.fichter@state.ma.us](mailto:katherine.fichter@state.ma.us), or (TTY) 857-368-0655].
