Eligibility Operations Memo 20-20
November 2020

TO: MassHealth Eligibility Operations Staff
FROM: Heather Rossi, Deputy Policy Director for Eligibility
RE: **Medex Premium Rate Changes**

Introduction

Blue Cross and Blue Shield of Massachusetts has received approval from the state's Division of Insurance on the following premium rates for all of its non-group Medex plans: Medex Basic, Medex Bronze, Medex Gold, Medex Standard, Medex Core Plus, Medex Core, Medex Silver, Medex Basic without Pharmacy, Medex Core Plus without Pharmacy, and Medex Choice. These rates are effective January 1, 2021.

Rate Changes

The Medex plans, old and new quarterly rates, and new monthly premiums appear in the table below. The new monthly premium is the amount allowed as a patient-paid amount (PPA) deduction after other deductions that get priority under MassHealth regulations at 130 CMR 520.026. Fees for special billing arrangements that cause a premium to exceed these amounts are not allowable PPA deductions.

Workers may enter an amount that is less than the current maximum premium amount to calculate retroactive PPA.
