November 2022

TO: MassHealth Eligibility Operations Staff
FROM: Heather Rossi, Director of Eligibility Policy
RE: **Medex Premium Rate Changes**

Introduction

Blue Cross Blue Shield of Massachusetts has received approval from the state's Division of Insurance for the following premium rates for all of its non-group Medex plans: Basic, Bronze, Sapphire, Gold, Standard, Core Plus, Core, Silver, Basic without Rx (pharmacy), Core Plus without Rx (pharmacy), and Choice. In addition, approval has been received for the Vision and Hearing optional riders: Hearing & Vision rider, Bronze with Hearing & Vision, Sapphire with Hearing & Vision, and Core with Hearing & Vision. These rates are effective January 1, 2023.

Rate Changes

The Medex plans, 2022 and 2023 quarterly rates, and 2023 monthly premiums appear in the table below. The new monthly premium is the amount allowed as a patient-paid amount (PPA) deduction after other deductions that receive priority under MassHealth regulations at 130 CMR 520.026. Fees for special billing arrangements that cause a premium to exceed these amounts are not allowable PPA deductions. Workers may enter an amount that is less than the current maximum premium amount to calculate retroactive PPA.
