Introduction

MassHealth has revised the Long-Term Care Eligibility Review Form (LTC-ER). The revision date of the LTC-ER form is August 2022. The revised LTC-ER includes an updated signature page and aligns with other MassHealth applications and renewals, including the SACA-2 and the SACA-2-ERV.

Using the Updated Form

MassHealth will continue to accept the previous version of the LTC-ER (08-12) until January 31, 2023. The revised form is posted on the MassHealth website at [MassHealth Member Forms | Mass.gov](#).
