

The Commonwealth of Massachusetts' Environmentally Preferable Products Procurement Program

Manage Your Organization's Waste Stream in a More Sustainable Manner...

Recycling Possibilities on Statewide Contract

- The ability to recycle a vast array of items; and
- Tools and products to develop a recycling program in your facility, including on-site visits by awarded contract vendors who will assess your organization's needs, make cost-effective recommendations, and provide employee training.

Recycling 101: Important Statewide Contracts to Know

FAC110 - Hazardous/Universal, Medical, and Electronic Waste Disposal and emergency response, offering comprehensive recycling solutions for hazardous waste

FAC118 - Environmentally Preferable Cleaning Products, Programs, Equipment, and Supplies, including recycling containers and recycled content/compostable liners

FAC86 - Solid Waste and Recycling Services, providing full waste and cost-effective recycling services for non-hazardous materials

FAC113 - Recycling Containers, Compost Bins, and Rain Barrels, providing a wide range of waste and recycling containers, including Big Belly compactors

FAC90 - Carpet and Mattress recycling services

Environmental Impact

In FY23, Commonwealth buyers diverted an estimated 29,184 tons of waste from disposal to recycling using resources on Statewide Contract. This reduction is equivalent to conserving 3,258,164 gallons of gasoline.¹

Glass Containers - FAC86
Lamps and Ballasts - FAC110
Mattresses - FAC86, FAC90
Mercury - FAC110
Metal Cans and Containers - FAC86
Motor Oil - FAC110
Oil Filters - FAC110
Organic- Food Waste - FAC86
Organic - Leaves, Yard Waste and Floating Vegetation - FAC86, FAC120
Organic Solvents - FAC110
Paints - FAC110
Paper/Cardboard - FAC86
Paper Shredding/Secure Document and Media Destruction - FAC86, FAC96
Plastic Bottles and Containers - FAC86
Recyclable Fuels - FAC110
Redeemable Bottles and Cans - FAC86
Scrap Metal - FAC86
Sharps - FAC110
Street Sweepings - FAC86
Tanks - FAC110
Textiles - FAC86
Tires - FAC86
Toner Cartridges - ITE001
White Goods (Large Appliances) - FAC86
Wood - FAC86

Did you know?

Better for the Environment and Cost Effective!

Remanufactured toner cartridges (remans) are produced from recycled empty toner cartridges that are inspected, cleaned, refilled, and quality tested to ensure optimal performance.

Comparing the average cost of remans with similar Original Equipment Manufacturer (OEM) cartridge costs, Executive Agencies saved \$150,671 by using remans in FY23.¹
