

EQUAL EMPLOYMENT OPPORTUNITY

What's in it for me?

Plenty.

Diversity makes us more creative, more innovative, and more productive. Different ideas, skills and knowledge help us meet the wide range of our customers' needs.

Equal employment opportunity is fundamental to the mission of MassDOT and the MBTA. The Office of Diversity & Civil Rights works every day to guarantee the fair and equal treatment of each of us in every area—hiring, benefits, promotions, wages and much more.

We're all in this together.
