Homepage

The screenshot shows the ESORI Portal interface. At the top is a blue header with 'ESORI Portal' on the left and 'Valerie100' on the right. Below the header is a navigation bar with links for Home, Submit Request, Request History & Results, and Account Details. The main content area is divided into three sections:

- Submit Single Request:** A button with a right-pointing arrow and a green notification icon. Below it, text reads: 'Use this option to submit an ESORI request for one subject.'
- Submit Batch Request:** A button with a right-pointing arrow and a blue notification icon. Below it, text reads: 'Use this option to submit an ESORI request for multiple subjects.' There are two links: 'Download Batch Upload Requirements' and 'Download Batch Template'.
- Recent Requests:** A table with columns for Name, Request Date/Time, Status, and Actions. The table is currently empty, showing 'No records found.' A 'View All' link is on the right.

On the right side of the main content area is a white box with the heading 'Welcome to the ESORI Portal, Test!'. The text inside the box provides instructions on how to use the portal, information about the Board's reporting, a disclaimer about public access to information, and contact information for the Sex Offender Registry Board.
