

COMMONWEALTH OF MASSACHUSETTS ELECTRIC VEHICLE INFRASTRUCTURE COORDINATING COUNCIL

NOTICE OF PUBLIC MEETING

The Electric Vehicle Infrastructure Coordinating Council (EVICC), established pursuant to [St. 2022 c. 179 § 81](#), announces two public hearings. This notice is provided pursuant to M.G.L. c. 30A, § 20.

EVICC is undergoing an effort to assess and report on strategies and plans necessary to deploy electric vehicle charging infrastructure to establish an equitable, interconnected, accessible and reliable electric vehicle charging network. More information can be found at <https://www.mass.gov/info-details/electric-vehicle-infrastructure-coordinating-council-evicc>.

At these meetings, we will cover the following:

1. The work, goals, and deliverables of the Council
2. Barriers consumers are facing to adoption of EV charging stations
3. Additional information consumers are seeking

We are also seeking feedback on the following:

1. How does the availability of electric vehicle charging infrastructure impact your decision-making and/or buyer behavior?
2. What would help to improve your electric vehicle driving experience?
3. What challenges, if any, do you see with reliability and cost of electric vehicle charging stations?
4. Where would you like to see electric vehicle charging locations?

Public hearings will be conducted at the dates and times below:
