RESCHEDULING AND PERFORMING YOUR JURY DUTY

██████████ Courthouse

1. Call the OJC (numbers below) to reschedule the date of your jury duty.
2. The day before your jury duty, call the court's juror line at ██████████ **after 3:00 pm** to learn if the court is requiring jurors to report for jury duty the following day.
3. Listen to the recorded message on the court's juror line.
4. If all jurors, or jurors in certain group numbers, are told to report, you should report for jury duty at the courthouse **at** ██████████ to perform jury duty. (Note: You do not have a juror group number because you are in delinquency status. Nevertheless, you should report for jury duty **unless** all juror groups are cancelled).
5. If all juror groups are cancelled, then **do not report**. Call the OJC to reschedule your jury duty.
6. If you have access to the internet, visit our website at www.majury.gov and click on the "Important forms related to your jury duty" link, then open the "Confidential Juror Questionnaire" (CJQ) form. Complete and print the CJQ and bring the completed CJQ with you to the courthouse on your service date.

*Remember: In order to be removed from delinquency status, you must physically appear at the courthouse and serve on a day when jurors are required to report. If jurors are cancelled for the date to which you have been rescheduled, you must call the OJC to be rescheduled again because **juror cancellation does not resolve your delinquency status**.*
