EOPSS Summer Internship Program

Mission Statement:

The EOPSS Summer Internship Program offers an accessible, equitable pathway for diverse undergraduate, graduate, and specialized skilled students interested in a rewarding career in public safety, criminal justice, and homeland security.

Program Overview:

The Executive Office of Public Safety and Security (**EOPSS**) offers an exciting paid internship opportunity for students enrolled in higher education. This in-person program within EOPSS agencies provides students from diverse backgrounds with valuable real-world experience in public service. The program is designed to provide students with professional exposure to a variety of public safety-related agencies across the Secretariat, including the Massachusetts State Police, the Massachusetts State Police Crime Lab, the Office of Grants and Research, the Massachusetts Parole Board, the Municipal Police Training Committee, the Sex Offender Registry Board, the Massachusetts Emergency Management Agency, the Department of Criminal Justice Information Services, the Department of Fire Services, State 911, the Office of the Chief Medical Examiner, the Massachusetts National Guard, and the Massachusetts Department of Correction.

Please refer to the last page for location addresses and accessibility.

This program aims to offer interns a broad range of topics related to public safety and criminal justice policy, including but not limited to:

- Legal
- Human Resources
- Communications
- IT Security (Data and Application Management)
- Fiscal and Accounting
- Grant Management
- Forensics
- Reentry
- Research and Data Analytics
- Emergency Management
- Fire Services
- Victim Services

Applicant Requirements:

- Must be enrolled in a college, university, or trade school
- Applicant must be 18 years old at the time of the start of the internship program
- Students enrolled in the internship program must pass a CORI background check and may be subject to fingerprinting
- Minimal in-state travel may be required and will vary by position
