FCC Digital Broadcast Transition Customer Notification:

TV stations must switch to digital transmission by 6/12/09. Watch your local TV stations to find out when they are switching. After the switch, analog TV's using antennas need a converter box to receive over-the-air TV. As a Comcast customer, you are not affected unless you have a TV not connected to cable. Analog TV's will still work with low power TV and electronic devices after the switch. For information contact your local TV station, www.DTV.gov, 1-888-CALL-FCC (TTY 1-888-TELL-FCC) or Comcast 1-800-COMCAST.
