Branch Manager - March 27, 2006

Welcome

Today at Quotemearate

Branch Associates,

With the deepest of hearts, Quotemearate.com, Inc. regrets to inform you that we have begun the process of closing our operations. We have taken great pride in delivering to each and every one of you the strongest branch affiliate program in the country over the years. The constant change of the industry coupled with the lack of performance of the Banking Division proved too great in the end. These financial strains have caused Quotemearate.com, Inc. to lose significant amounts of capital over the past few months. We have exhausted all possible solutions over the past few months but none were able to overcome these challenges.

We will continue to update everyone over the next couple of days with regard to procedures going forward. Many of you have existing pipelines and those will be addressed on Monday. Members of our remaining staff will be contacting you about payroll going forward in addition to providing you with an updated payroll schedule.

Thank you again for your business and the opportunity to serve you.

Sincerely,
Chris Miller
Vice-President of Branch Operations
Quotemearate.com, Inc.
