Benefits and Cost Savings

Statewide contracts are an easy way to obtain benefits for your organization by leveraging the Commonwealth's buying power, solicitation process, contracting expertise, vendor management and oversight, and the availability of environmentally preferable products.

Environmental Benefits

The rain barrels under this contract represent a 98% reused item and most of the plastic recycling bins, containers, and carts are manufactured with approximately 30% post-consumer recycled plastic. As a result, this contract serves to keep tons of plastic out of landfills yearly, reduces our dependence on foreign oil (for the manufacturing of plastic) and works toward growing the local businesses included on the list of awarded vendors. The solar powered trash and recycling compactors on the contract increase the amount that can be handled by one or two containers and save time and labor for staff.

Cost Savings

Even though the vendors on this contract are providing products at very competitive rates, cities, towns, agencies, schools, and others are encouraged to request lower pricing, particularly in situations where high volume is involved. Contract users can also negotiate delivery times and other aspects as needed.

When contacting a vendor on statewide contract, always reference FAC113 to receive contract pricing.

Log into COMMBUYS, and use the Search box on the COMMBUYS header bar to locate items described on the MBPO or within the vendor catalog line items. Select Contract/Blanket or Catalog from the drop-down menu.

How To Purchase From The Contract

- **Directly purchase fixed price items through COMMBUYS**

This contract allows buyers to find and quickly purchase specific products/services with pricing within COMMBUYS. In other words, it allows you to create a Release Requisition in COMMBUYS, submit the requisition for approval, and send the vendor a Release Purchase Order.

While all prices for this contract are defined in the price file, it is recommended that contract users consult the contract vendor to ensure that the list of items being ordered is correct, especially in cases where products are customized. Once the details of the order, pricing and delivery have been confirmed with the vendor, the order should be placed through COMMBUYS, or directly with the vendor. Placing the order through COMMBUYS is a requirement for all Commonwealth Departments. (Purchasers that are not Commonwealth Departments may place orders directly with the vendors.) Follow these steps to place the order through COMMBUYS:

1. Initiate a new Requisition.
2. On the Items tab use the "Search Items" -> "Advanced Search" function to find the appropriate Item for ordering. Use "FAC113DesignatedDEP" in the Description field on the search form and then select the Item that represents the appropriate Product Category.
3. Add item quantity (1.0), select (check off) the Item, and then press "Add to Req and Exit."
4. Once Item has been added, enter the Catalog Price/Unit Cost by clicking on the "Enter Info" link.
5. On the Vendors tab click "Look up and Change Vendor." This is where you will select the vendor you have chosen.
6. On the Attachments tab, upload the order description with product quantities and order total and any other pertinent documents, making sure to check the box that says Show to Vendor.

Review the Summary Tab, and then Submit for Approval. For this contract there are 11 separate Master Blanket Purchase Orders (MBPO): one MBPO for each Product Category. Note that Product Category 11 was not awarded, and as a result no MBPOs for those categories were set up. All pricing information is posted in COMMBUYS as an attachment to respective category MBPO and is titled **Master Price File**.

Each MBPO includes:

- A list of vendors awarded for the Product Category the MBPO covers;
- A single line item to be used for ordering products;
- A price file containing pricing information for all categories

- **Prompt Pay Discounts:** A discount given to the buyer if paid within a certain time period. These discounts may be found in the [Vendor List and Information](#) section below. All discounts offered will be taken in cases where the payment issue date is within the specified number of days listed by vendor and in accordance with the Commonwealth's Bill Paying Policy. Payment days will be measured from the date goods are received and accepted / performance was completed OR the date an invoice is received by the Commonwealth, whichever is later to the date the payment is issued as an EFT (preferred method) or mailed by the State Treasurer. The date of payment "issue" is the date a payment is considered "paid" not the date a payment is "received" by a Contractor.
- **Volume Discounts:** discount is negotiated to buyer if a certain volume of product or service is purchased.

If the Needed Product Can Not be Found
