• Include SBPP contract language and place it prominently within the RFQ.
• Evaluate bids received from, and award a contract to, an SBPP-participating small business that meets the department’s best value criteria.
• Award to a large business only if there is no SBPP participating business meeting departments’ best value criteria.
• Conduct a clarification/BAFO/negotiation before disqualifying an SBPP-participating business based on price or desirable criteria.
• See the Best Value Evaluation of Responses to Small Procurements: A Guide for Strategic Sourcing Teams for additional guidance.

More than $250,000/year

• **Notify at least two diverse and/or small businesses** capable of providing the product or service of the opportunity, if available.
• Make a preference for contractors with higher SDP commitments and/or performance whenever such information is available (or is requested from contractors by the department) and the preference is feasible.

• **Note:** Departments may ask the prime Contractor for an additional SDP commitment specifically related to the Department’s purchase or engagement. SDP spending for such a purchase or engagement must be reported by the Contractor using the SDP Reporting Form directly to the Department and may not be included in any other SDP reporting filed by the Contractor.

OSD provides up-to-date information on the availability of diverse and small businesses on statewide contracts through the Statewide Contract Index available on the COMMBUYS home page. See the “Programs (SDO and SBPP)” tab for current certification and small business status of contractors on this contract.

### Setting Up a COMMBUYS Account

COMMBUYS is the Commonwealth’s electronic Market Center supporting online commerce between government purchasers and businesses. If you do not have one already, contact the COMMBUYS Help Desk to set up a COMMBUYS buyer account for your organization: (888)-627-8283 or OSDhelpdesk@mass.gov.

*Per 801 CMR 21.00, Executive Branch Departments must use established statewide contracts for the purchase of commodities and services. Specifically, Executive Departments are required to use OSD’s statewide contracts, including designated statewide contracts, if available, for their specific commodity and service needs. Exceptions will only be permitted with prior written approval from the Assistant Secretary for Operational Services, or designee.*

NOTE: Contract User Guides are updated regularly. Print copies should be compared against the current version posted on mass.gov/osd.
When contacting a vendor on statewide contract, always reference FAC115 to receive contract pricing.

**Quick Search in COMMBUYS**

Log into COMMBUYS, and use the Search box on the COMMBUYS header bar to locate items described on the MBPO or within the vendor catalog line items. Select Contract/Blanket or Catalog from the drop-down menu.

**How To Purchase From The Contract**

- **Directly purchase fixed price items through COMMBUYS**
  This contract allows buyers to find and quickly purchase specific products/services with pricing within COMMBUYS. In other words, it allows you to create a Release Requisition in COMMBUYS, submit the requisition for approval, and send the vendor a Release Purchase Order.

  For a description of how to complete this purchase in COMMBUYS, visit the *Job Aids for Buyers* webpage and select:
  - The COMMBUYS Requisitions section and choose the *Make a Statewide Contract Purchase in COMMBUYS* job aid.

- **Solicit quotes and select and purchase quoted item in COMMBUYS**
  This COMMBUYS functionality provides a mechanism to easily obtain quotes, as specified by the Contract. The buyer would create a Release Requisition, and then convert it to a Bid. After approval by the buyer approving officer, the bid is then sent to selected vendors to request quotes. Buyers must include “FAC115 RFQ” when entering information in the Description field.

  For a description of how to complete this purchase in COMMBUYS, visit the *Job Aids for Buyers* webpage, and select:
  - The COMMBUYS Purchase Orders section, and choose the *How to Create a Solicitation Enabled Bid Using a Release Requisition* job aid or one of the quick reference guides.

- **Document items in COMMBUYS that have already been purchased**
  This type of contract allows buyers to document a contract purchase in COMMBUYS that already has taken place through a Request for Payment Authorization (RPA) Release Requisition. It also allows MMARS users to easily keep track of spend. NOTE: MMARS and COMMBUYS do not interface – payment request and invoice should be reported in both MMARS and COMMBUYS separately.

  For a description of how to complete this purchase in COMMBUYS, visit the *Job Aids for Buyers* webpage, and select:
  - The COMMBUYS Requisitions section, and choose the *How to Create an RPA Requisition* job aid.

**Obtaining Quotes**

Contract users should always reference FAC115 when contacting vendors to ensure they are receiving contract pricing. Quotes, not including construction services, should be awarded based on best value.

For a full description of how to complete a quote in COMMBUYS visit the *Job Aids for Buyers* webpage, and select:
- The COMMBUYS Purchase Orders section, and choose *Request Quotes From Vendors on Statewide Contracts* job aid.

All discounts offered will be taken in cases where the payment issue date is within the specified number of days listed by vendor and in accordance with the Commonwealth’s Bill Paying Policy. Payment days will be measured from the date goods are received and accepted / performance was completed OR the date an invoice is received by the Commonwealth, whichever is later to the date the payment is issued as an EFT (preferred method) or mailed by the State Treasurer. The date of payment “issue” is the date a payment is considered “paid” not the date a payment is “received” by a Contractor.

- Volume Discounts: Discount is negotiated to buyer if a certain volume of product or service is purchased.

This contract has no options for renewal. No new leases, rentals, maintenance, or other agreements for services may be executed after the Contract has expired.
