Truckload Quantities when 2/3 assembled with lids are: <ul style="list-style-type: none"> <li>Model 79296: 624 Carts – Carts safely nest 12 carts high in a stack</li> <li>Model 79264: 864 Carts – Carts safely nest 12 carts high in a stack</li> <li>Model 79248: 852 Carts – Carts safely nest 12 carts high in a</li> </ul> </li> </ul>

	<p>stack</p> <ul style="list-style-type: none"> <li>- Add \$2.00 per cart plus any freight differential for <b>Toter EVR II</b> carts shipped Fully Assembled, and “Ready to Roll”. No further assembly is required. Truckload Quantities when fully assembled are: <ul style="list-style-type: none"> <li>Model 79296: 364 Carts – Carts safely nest 5-6 carts high in a stack</li> <li>Model 79264: 504 Carts – Carts safely nest 7 carts high in a stack</li> <li>Model 79248: 560 Carts – Carts safely nest 8 carts high in a stack</li> </ul> </li> </ul>
<p><b>Carts May Be Shipped With Varying Levels of Assembly:</b></p> <p><b>- <u>Toter EVR I Carts</u></b></p>	<ul style="list-style-type: none"> <li>- Above pricing includes <b>Toter EVR I</b> carts shipped unassembled for optimum freight savings.</li> </ul>
<p><b>Loads With More than One Drop Point</b></p>	<ul style="list-style-type: none"> <li>- The first drop point is included in above pricing.</li> <li>- The second drop point incurs a \$150.00 fee plus fuel service charges and freight between points.</li> <li>- The third drop point incurs a \$350.00 fee plus fuel service charges and freight between points.</li> <li>- Fuel service charges and freight between delivery points will be determined at time of order. Toter will assist customers with these charges.</li> </ul>
<p><b>Recycled Content in Carts</b></p>	<ul style="list-style-type: none"> <li>- Carts manufactured using up to 50% recycled resin may contain up to 30% post consumer recycled resin, and 20% post industrial recycled resin. Available colors for this level of recycled resin include: Black and Blackstone Granite.</li> <li>- Carts manufactured using up to 40% recycled resin may contain up to 30% post consumer recycled resin, and 10% post industrial recycled resin. Available colors for this level of recycled resin include: Dark Gray Granite, Greenstone Granite and Navy Granite.</li> <li>- Carts manufactured using up to 30% recycled resin may contain up to 30% post consumer recycled resin, and 0% post industrial recycled resin. Available colors</li> </ul>

	<p>for this level of recycled resin include: Green, Forest Green, Navy Blue, Brown, and Brownstone Granite.</p> <p>- Carts manufactured using below 30% recycled resin may contain up to 30% post consumer recycled resin, and 0% post industrial recycled resin. Available colors for this level of recycled resin include: Gray, Graystone Granite, Blue, Bluestone Granite, Sandstone Granite.</p> <p>All levels of recycled resin are subject to availability at time of cart production.</p>
<b>Cart Colors and Upcharges</b>	<p>- Included in above cart pricing are solid standard color carts in Green, Gray, Brown, Blue and Black. Also included in above cart pricing are Navy Blue and Forest Green.</p> <p>- Included in above cart pricing is the Granite Blackstone or Greenstone body with solid Black lid. The additional fee for these special Granite color carts is waived for this bid.</p> <p>- Add \$1.25 per cart for other Special Granite color body colors of: Graystone, Dark Gray Granite, Graystone, Brownstone, Sandstone, Bluestone, and Navy Granite with solid Black lid.</p>
<b>Assembly and Distribution Services</b>	<p>- Assembly and Distribution of Carts to Residents is available for the following minimum quantities and prices:</p> <p>2,500 to 4,999 carts – Add \$4.05 per cart to above cart pricing.</p> <p>5,000 to 9,999 carts – Add \$3.80 per cart to above cart pricing.</p> <p>Over 10,000 carts – Add \$3.55 per cart to above cart pricing.</p> <p>- For a minimum of 2,500 carts, add \$0.30 per cart to record the carts' serial numbers in a listing with the distribution address.</p> <p>- For a minimum of 2,500 carts, add \$0.10 per cart for an electronic database listing of the serial numbers with distribution addresses to be presented to the Customer after distribution of carts is completed.</p>

	<p>Please allow approximately 4-6 weeks after cart distribution is completed for the electronic listing (in Excel or Access) to be presented to the Customer.</p> <p>- Please note that Assembly and Distribution Services are only available for a minimum quantity of 2,500 carts shipped together to one location. The Customer is to provide suitable staging area for these services (paved, partially covered, secure) at no cost to Toter. Toter requests (does not require) the use of a forklift and/or operator during the performance of these services.</p>
<b>RFID System Costing</b>	<ul style="list-style-type: none"> <li>- Ultra High Frequency (UHF) Tags: \$1.05 per tag</li> <li>- Low Frequency (LF) Tags: \$3.05 per tag</li> <li>- Retrofitting Carts with Tags: Unable to price at time of bid. Toter will work with the customer to provide a proposal for the tags and service of retrofitting carts. Please see Form A for explanation.</li> <li>- RFID System Costing: Toter will work with the customer to provide a proposal for a partial or complete system to meet each customer's needs. Please see Form A and attached information for details.</li> </ul>
<b>Fully Automated Carts (ANSI Type G, compatible with automated arm lifters)</b>	<ul style="list-style-type: none"> <li>- <b><u>EVR I Carts</u></b> may be provided without a stop bar when carts are to be used with Fully Automated are collection vehicles. Deduct \$0.75 per cart for no stop bar. (Please note that without a stop bar the part number for Model 76532 becomes Model 52535, Model 76564 becomes Model 57564, and Model 76596 becomes Model 57596.)</li> <li>- <b><u>EVR II Carts</u></b> may also be provided without a stop bar. Deduct \$0.35 per cart for no stop bar for Models 79296, 79264, and 79248. (Model numbers do not</li> </ul>

	change.)
<b>Types of Wheels and Wheel Attachments</b>	<ul style="list-style-type: none"> <li>- Above cart pricing includes Standard Sunburst Wheels with Pal Nut wheel attachment system.</li> <li>- Add \$1.25 per cart for Snap-On Sunburst wheels.</li> <li>- Add \$3.00 per cart for Quiet Cap Wheels with Pal Nut wheel attachment system.</li> <li>- Add \$3.50 per cart for Snap-On Quiet Cap Wheels.</li> <li>- Add \$0.50 per cart for Wheels attached using Cotter Pins and Washer fastener system.</li> </ul>
<b>Lid Latches and Lid Lock Options</b>	<ul style="list-style-type: none"> <li>- Add \$2.50 per cart for a Bungee Lid Latch consisting of a rubber strap with one end permanently attached to the lid. The other end has a metal hook which attaches in the top recessed saddle area on the cart to secure the lid in the closed position.</li> <li>- Add \$2.25 per cart for Plastic Lid Latch available only on EVR II carts and consisting of a plastic latch attached to the front of the lid with metal fasteners, securing the lid in the closed position.</li> <li>- Add \$8.00 per container for a Hasp-Type Locking System (customer to provide standard, off the shelf padlock).</li> </ul>
<b>Features for Specific Recycling Ventures</b>	<ul style="list-style-type: none"> <li>- Add \$15.00 per cart for a can collar (bulls-eye) installed into the cart's lid for collection of bottles and cans. The can collar is a 4 ½" diameter flexible rubber opening, securely mounted to the cart lid with a stainless steel mounting ring and stainless steel rivets. The collar is designed for easy push through of beverage cans without raising lid which also discourages insertion of other material or removal of cart contents. Entire assembly is corrosion resistant.</li> <li>- Add \$5.00 per cart for a hole in the lid for collection of bottles and cans. This pricing does not include the can collar.</li> <li>- Add \$7.50 per cart for a document slot in a cart's lid for collection of paper.</li> <li>- Above can collar, hole in lid and document slot are designed for easy push through without raising the lid.</li> </ul>

<b>Educational Brochures</b>	- One (1) Toter Incorporated "Safe Use and Care" standard brochure per cart is available at no charge, upon request.
<b>State and Local Taxes</b>	Not included in pricing.

**Collection Logistics Efficiency & Notification (CLEAN) feature for BigBelly v3 Solar Powered Compactors.**

The CLEAN wireless feature provides accurate, real-time information from every BigBelly in the field. Combined with the onsite, solar powered compaction of the BigBelly, CLEAN will enable you to:

- Further optimize trash collection
- Achieve an even faster Return on Investment
- Monitor Collections
- Increase ongoing savings
- Increase environmental benefits

The CLEAN application displays Google Maps of your deployed BigBelly's, fullness reports, group lists, and critical alerts.

CLEAN connects your BigBelly's into a network system enabling you to optimize your collection effort, **saving time, money, fuel, and lessening impact on the environment.**

The CLEAN wireless monitoring feature can be shipped with the purchase of new BigBelly v3 units. Additionally, any BigBelly v3 units in the field can be upgraded with the CLEAN wireless feature. **Existing BigBelly v2 units CANNOT be upgraded with the wireless feature.**

**Hardware pricing:**

Wireless communication hardware:	\$225	Per BB
----------------------------------	-------	--------

**Annual software access:**

Wireless communications charge:	\$7.99	Per BB Per month, billed annually
---------------------------------	--------	-----------------------------------

Example customer: New customer buying 12 Black wireless BB3

Wireless hardware	12 at	\$225
Total hardware		\$2,700

Communications charge	12 at	\$7.99	per month
Total annual fee		\$1,150.56	

Customer retrofitting existing BB3

Machines purchased before Jan 09 will require a new main control board with wireless ready software  
When purchasing the CLEAN upgrade, customer is charged a deposit for the new main control board  
Deposit refunded upon return of original main control board from upgraded machine to BigBelly Solar

Retrofit main controller deposit: \$200

**Returning customer buying 30 upgrade kits for their BB3**

Wireless hardware	30 at	\$225
Main control board		
deposit	30 at	\$200
Total hardware		\$12,750

Communications charge	30 at	\$7.99	per month
Total annual fee		\$2,876.4	

## **ROLL OFF CONTAINERS**

### **TERMS OF CONTRACT**

- You are not required to, and should NOT sign any new terms and conditions provided by a vendor on state contract FAC61.
- Containers ordered will be delivered to your municipality's specified location within 30 days of contractors receipt of purchase order AND unloaded to either a loading dock or to the ground (whichever the municipality needs).
- Vendor may NOT charge any additional fees for delivery, labor or equipment above the state contract price The state contract prices include ALL delivery and unloading costs.

### **ROLL OFF CONTAINERS**

The Contractor shall designate the minimum order amount for which delivery can be guaranteed within 30 days of receipt of purchase order from any eligible contract user. The Contractor shall then further guarantee that any orders in excess of that minimum amount will be delivered within 60 days of the Contractor's receipt of purchase order.
