This project's goal is to reconstruct paths, replace site furnishings, perform tree maintenance, and do site restoration. Funding is being provided by the Boston Community Preservation Act and DCR Partnership Program.

The public will be invited to ask questions and provide feedback on the presentation by unmuting their microphones, or the chat functionality that will be available through the virtual participation platform. After the meeting, the presentation will be available for viewing at <https://www.mass.gov/dcr/past-public-meetings>. DCR encourages the public to share additional feedback, with a deadline for receipt of comments by DCR of May 4th, 2023. Comments may be submitted online at <http://www.mass.gov/dcr/public-comment>.
