Hello all,

We're pleased to share that applications are now open for **EEC's Family Advisory Council (FAC)** and ask for your support in sharing this opportunity with families in your community.

The **Family Advisory Council** ensures families have a voice in shaping EEC programs, policies, strategies, and resources. Family insight and lived experience help strengthen how EEC serves children and families across Massachusetts.

Key Details

- **Application period:** January 5 – February 13, 2026

Who is a good fit:

- Parents and caregivers familiar with EEC programs or services
- Individuals with experience engaging or supporting their community
- Those interested in sharing their perspective to help strengthen early education and care

Please see the **attached role description** for details about responsibilities, term limits, compensation, and more.

Families can apply using the link below. Applications will not be accepted after the deadline.

✦ **Apply at:** mass.gov/EECFamilyAdvisory
