

## **Family Support Services FY26 Rate Implementation**

**May 14, 2026**

On May 8, 2026, the Executive Office of Health and Human Services (EOHHS) promulgated updates to [101 CMR 414.00: Rates for Family Stabilization Services](#). These rate updates are also reflected in the FY26 Regulated Rate Table posted on the [DDS Contracts Information](#) webpage. Rate changes are effective retroactively January 1, 2026.

DDS has entered the new billing rates in EIM. DDS will process retroactive payments to reimburse for the difference between the current billing rate and the new billing rate for all attendance that has already been paid since January 1, 2026. New attendance entered after May 14<sup>th</sup>, 2026, will be paid at the new billing rate.

In addition, DDS will increase the maximum obligation of contracts based on a utilization review as necessary.
