Farren Playground Design Public Meeting

Thursday, December 19th @ 6pm – 7:30pm
Register for the meeting via the [Zoom Registration Link](#).

The Department of Conservation and Recreation (DCR) is holding a public meeting on the redesign of the Farren Playground and the adjacent hardcourts. The purpose of the meeting is to inform the public about the proposed improvements to the playground, entry area, and pathways around the playground to make them more maintainable and increase accessibility. DCR also seeks public input on improvements to the hardcourt area to include either renovating the four half-courts as they are, or renovating two, and adding fitness equipment to replace the other two.

The public will be invited to provide comments during the meeting, after the presentation, by unmuting their microphones, or the chat functionality that will be available through the virtual participation platform. After the meeting, the presentation will be available for viewing on DCR's [Past events for DCR Public Meetings Information](#) web page. DCR encourages the public to share additional feedback, with a deadline for receipt of comments by DCR of January 7th, 2025. Comments may be submitted via the [DCR public comment portal](#). Please note that the content of comments you submit to DCR, along with your name, town, and zip code, will be posted on DCR's website. Additional contact information required when commenting, notably email address, will only be used for outreach on future updates on the subject project or property.

If you have agency-related questions or concerns or would like to be added to an email list to receive DCR general or project-specific announcements, please email Mass.Parks@mass.gov or call 617-626-4973.
