MassHealth  
Transmittal Letter FAS-21  
July 2009

**TO:** Freestanding Ambulatory Surgery Centers Providers Participating in MassHealth  
**FROM:** Tom Dehner, Medicaid Director   
**RE:** New Modifier Required for Billing Effective May 26, 2009

This letter describes a new billing requirement for all procedures billed by MassHealth-participating freestanding ambulatory surgery centers (FASCs).

As previously communicated, providers are reminded that effective May 26, 2009, the SG modifier must appear on each claim line with the procedure for which the facility is billing. If multiple surgical procedures are performed on a member, then the SG modifier should appear once for each surgical procedure code. This modifier will be used to indicate the facility charge for a procedure code billed by a FASC and will prevent these facility charges from denying as duplicate against the professional component of the claim.

If you have any questions about the information in this transmittal letter, please contact MassHealth Customer Service at 1-800-841-2900, e-mail your inquiry to [providersupport@mahealth.net](mailto:providersupport@mahealth.net), or fax your inquiry to 617-988-8974.
