License Complaints

Diane Lacroix vs Kimball Moore.

FLB member Bruce Spencer served the FLB as investigator in the matter [14.05(4)(a)] and reported his findings to the FLB [14.05(4)(c)]. Upon reviewing and discussing all the documents provided to the FLB the board voted unanimously to recommend to the Director to suspend Kimball Moore's Massachusetts Forester license [14.05(5)(a)].

Other Business

- **Update on three year licensing:** Peter Church has stated that the three year bill has died and there has been no renewal to put it forth on a new bill.
- **Christian Krueger:** Peter Church stated that it appears (from the local service forester) Christian Krueger has been working as a forester without a forester license. However, there has been no physical proof submitted to the FLB showing Mr. Krueger has been holding himself out as a forester. Further, the FLB makes recommendations to the director in regards to licensed foresters. It appears to be a DCR issue.

Next Meeting will be held at Holdsworth Hall in Amherst, MA on:

May 10th 2017 @6:30pm.
