<sup>1</sup> This report covers the individuals who were referred to DMH during the month of February. 50 individuals were placed in February, with 1 being placed in March (LOS: 1 day).

<sup>2</sup> Length of stay is calculated as the number of days between when a patient is placed from when DMH receives a referral.

<sup>3</sup> In February, 90% (46) of referrals were placed within 3 days. The remaining 10% (5) were placed between 4-11 days.

<sup>4</sup> Of the 51 February referrals, 24 had state agency engagement.
