The Massachusetts Department of Correction (DOC) frequently offers voluntary, mobile COVID-19 testing to staff. Testing locations vary to allow staff working in all regions, a convenient test location.⁴ This report includes a culmination of data collected from the mobile testing sites when available.

For staff testing at mobile testing sites, there were zero new confirmed positive COVID-19 test results self-reported by staff as of February 24, 2023.

¹ Massachusetts city/town and county are based on the city/town and county of the Massachusetts Department of Correction facility where the staff member works on the report date.

² Staff counts of one (1) to four (4) are reported as 'Less than 5'; five (5) and over are reported as the actual count.

³ As part of the Department's continuous quality improvement process, its audit team assesses past and present data to ensure that accurate data has been and continues to be reported. Recent data audits have resulted in changes to the reporting of staff positives from Souza Baranowski Correctional Center and MCI-Shirley from the time period of April 26, 2022 to January 23, 2023. Please see data below for additional staff positives from SBCC and MCI-Shirley for that date range. Please note that all positives during this time period had been reported but the data was kept at the institutional level.

⁴ Staff counts are based on Massachusetts Department of Correction Mobile testing site location/ date of test and results self-reported by Massachusetts Department of Correction staff.
