

Amendment to

**Availability of Grant Funds (AGF)**  
**for FFY 2020 State Traffic Safety Information System Improvements Grant,**  
**Section 405(c) Funding**

on April 10, 2020

- OGR issued on 4/9/20 notice of a revised Attachment A – Application document to all applicants that submitted letters of intent for this AGF. The new application document is at <https://www.mass.gov/service-details/traffic-safety-grants>.
- The AGF is now amended to require all those awarded Section 405-c funding from it to provide monthly expenditure and activity reports during their contract/ISA periods. There will be no option for quarterly reporting. Monthly expenditure reporting is necessary for OGR to comply with the non-central draw requirements of Massachusetts Comptroller's Office.
- For the e-applications due by 4/16/20, OGR will accept electronic versions of hand signatures and dates on AGF response documents. For the hard-copy submissions, due by 4/28/20, AGF response documents must be hand-signed and dated in blue ink.
- Webinars for applicants to make project presentations to the AGF review committee and interested TRCC members are still being confirmed. Full details will be announced on 4/17/20 through OGR's e-list for the Traffic Records Coordinating Committees and at <https://www.mass.gov/service-details/traffic-safety-grants>, including project titles, presenter names, call-in numbers, passwords, and other details. These webinars are being hosted by the applicants, not OGR.

Please reserve the following tentative dates and times for webinars so far:

- 4/23/20, from 10 to 11 am
- 4/24/20 from 11 am to noon
- 4/27/20 from 9:30 to 10:30 am
- 4/27/20 from 11 am to noon

Please direct questions regarding this amendment to Brook Chipman at OGR at [brook.chipman@mass.gov](mailto:brook.chipman@mass.gov).
