

FFY 2024 Municipal Road Safety (MRS) Grant Progress Report

Mid-Year Progress Report due: May 15, 2024

Final Progress Report due: October 15, 2024

The Mid-Year and Final Progress Report are requirements of the Municipal Road Safety Grant. These reports must be completed regardless of the activity conducted up to the time the report is due. Failure to submit both reports can negatively impact a department's participation in future grants.

Instructions for completing:

- 1) Departments must enter the 3 Measurable Target Goals/Objectives from their application. *Refer to Page 4 of your department's application for the measurable goals.*
- 2) Departments must detail their progress towards meeting each goal/objective, including:
 - The activities completed thus far during the grant period to help reach your goal/objective
 - The status of future activities which will be completed to help reach your goal/objective
 - Any challenges you have encountered in progressing towards your goal/objective
- 3) **Mid-Year** progress covers the time from when your contract was signed by OGR to the day you submit this report to OGR. **Final progress** covers the day you submit your mid-year report through your contract end date of 9/15/24.
