

FILING DEADLINES FOR FEDERAL WORKING CAPITAL LOANS

The U.S. Small Business Administration (SBA) is reminding small businesses, small agricultural cooperatives, small businesses engaged in aquaculture and most private nonprofit organizations of the upcoming filing deadlines for federal working capital loans in parts of Massachusetts due to the storms that caused flooding and excessive moisture in 2023. Under these declarations, the SBA's Economic Injury Disaster Loan (EIDL) program is available to eligible farm-related and nonfarm-related entities that suffered financial losses as a direct result of these disasters. Apart from aquaculture enterprises, SBA cannot provide disaster loans to agricultural producers, farmers, and ranchers.

THE RHODE ISLAND DECLARATION for the September 10 through September 13, 2023 storms apply to Bristol, Norfolk, and Worcester counties as contiguous to the affected counties in Rhode Island. The application deadline for these EIDLs is **October 07, 2024** (factsheet attached).

THE NEW HAMPSHIRE DECLARATION for the June 15 through November 1, 2023 applies to Essex County as a contiguous county to the New Hampshire counties affected. The application deadline for these EIDLs is **October 15, 2024** (factsheet attached).

THE MASSACHUSETTS DECLARATION for the September 11 through September 13, 2023 storms apply to Bristol, Worcester, Franklin, Hampden, Hampshire, Middlesex, Norfolk and Plymouth counties. The application deadline for these EIDLs is **February 18, 2025** (factsheet attached).
