

SUMMARY OF NO. 25-07

This proposed law would make the information in the central registry of voters, which includes the name, date of birth, address, date of registration to vote, occupation, veteran status, nationality, and residence of every person in the state three years or older, public records that are available from the Secretary of the Commonwealth upon request. The proposed law would require that requests for this information be made to the office of the Secretary and that the office of the Secretary would be solely responsible for fulfilling the requests. This proposed law would require that the Secretary provide the requested information from the central registry of voters to any requestor within ten business days, and it would permit the Secretary to charge a fair and reasonable fee for the records, not to exceed \$100.
