

SUMMARY OF NO. 26-16

This proposed law would make larceny of property with a value greater than \$250 a felony, punishable by imprisonment in a state prison for not more than five years, or by a fine of not more than \$25,000 and imprisonment in jail for not more than two years. The law would also provide that, in determining the value of stolen property, all property stolen within a 180-day period may be totaled, regardless of whether the larceny occurs in the same establishment or multiple establishments, or in the same county or in multiple counties.

The proposed law states that, if any of its parts were declared invalid, the other parts would stay in effect.
