Celebrate the New Year with a First Day Hike at **South Cape Beach State Park** as we walk the beach with views of Martha's Vineyard. Staff will point out any interesting discoveries along the way and will discuss some research being done at nearby salt marshes.

Warm up with hot cocoa and conversation after the hike.

The hike is one mile (1), about 60 minutes long. Be prepared for cold weather: dress in layers and wear winter boots. **Dogs are welcome on-leash.**
