Hi Brendan,

I believe the Open Space Act requires acknowledgement from the public entity which owns the Article 97 land or interest therein, which is the Department of Fish and Game in this case.

With that said, please be advised that the Department of Fish and Game (“DFG”) acknowledges that Algonquin intends to file for Article 97 legislation for the conveyance of permanent easements totaling approximately 5.272 acres on land owned by DFG in Bourne, being tax parcels 17-3-0 and 44-50. DFG further acknowledges that Algonquin proposes to provide no net loss of conservation land by donating to DFG a fee interest in approximately 7 acres of land, as shown on a plan entitled “Plan of Land Stop & Shop Supermarket Company, LLC Bourne MA” dated May 20, 2026, prepared by VHB.

I believe this will be sufficient for your Article 97 filing purposes,
